## SEU STUDENT DORMITORY HOUSING 1300 STUDENTS

The 1,300-bed student dormitory, located near the SEU campus (within walking distance) and surrounded by green spaces, is under construction to the latest standards, featuring both unique exterior and interior design and comfortable accommodation.

- Student dormitory will be fully equipped with household appliances and furniture;
- The dormitory will be guarded by the security police;
- The dormitory will provide catering services;
- Cleaning services;
- Library;
- Study areas.

*In order to support students and their families, considering the recent increase in rent, SEU will offer dormitory services to students, beginning from **September 2023**.*

**SEU**  
dormitory, allowing  
**1300**  
students to live from  
**September 2023**

AMERICAN STANDARD OF HEALTH CARE

**AHT** - American Hospital **Tbilisi**

SEU is a Founder of the AHT.

AHT is an exclusive affiliated clinic of SEU and provides fieldwork services to medical students.

# AMERICAN HOSPITAL TBILISI

## SEU EXCLUSIVE AFFILIATED CLINIC

SEU is a founder of the AHT. AHT is an exclusive affiliated clinic of SEU and provides fieldwork services to medical students.

Only SEU students enjoy the exclusive opportunities to do their clinical educational courses in an American hospital, to attend masterclasses delivered by both Georgian and foreign top industry practitioners, and to develop their practical skills in clinical settings.

The American Hospital Tbilisi AHT was founded with the support of the United States International Development Finance Corporation (DFC), formerly known as OPIC.

On June 22, Scott A. Nathan (second from the left in the photograph), Chief Executive Officer of the United States International Development Finance Corporation (DFC), awarded the American Hospital Tbilisi AHT 800,000\$ to provide Ukrainian patients with free medical services.
